There are 7 bears. 3 bears have bowties. 4 bears have a heart. Fill in the number sentences and the number bond.

$$\square = \square + \square$$

$$\square + \square = \square$$

5 bears have scarves on and 2 do not. There are 7 bears.

Write a number sentence that tells about the bears.

$$\square = \square + \square$$

$$\square + \square = \square$$

On the back of your paper, draw a picture about the 7 bears. Write a number sentence and make a number bond to go with it.
